MR. AND MRS. Morris Cafritz's house on Foxhall rd. looked like a beautiful movie set for their annual Easter afternoon party.

Mr. and Mrs. Joe Casey were there and making the rounds from terrace to drawing room, to dining room and back again were Sen. and Mrs. Jennings Randolph, the Ken Watsons, Gen. and Mrs. Charles Cabell, USIA Director George Allen and Mrs. Allen were on their way to dine at the Pakistan Embassy. Others were District Commissioner Robert McLaughlin, Bob Jones, and Mrs. Jones, who wore a beautiful hat of lilacs, and Mrs. Robert McCormick in electric blue and green brocade with a close hat of matching blue ostrich.
